There is no need to label supplies (unless noted) or provide a pencil case, as most items will be community supplies that are shared among the group.

In addition to the school supply list above, we will gladly welcome donations to our Loose Parts Collection. Loose parts are any collection of natural or manmade objects that can be used to extend and further ideas in children's play. They are open-ended materials that can be moved, combined, taken apart, redesigned, lined-up and more! There is no pre-determined use or function. Loose parts can be thought of as a way for children to unlock the cognitive and creative mindset that allows them to build, deconstruct, persist, create, and work together to unleash the power of creativity that we all contain. Please feel free to donate & recycle these items to our Kindergarten at any time throughout the year. For a comprehensive list of items we would use, please see this [Loose Parts List](#). Thank you!
